

STTP on “Object oriented Software Engineering”

Computer Engg. Department
Terna Engineering College
January 11th -15th ,2010.

Department of Computer Engineering of Terna Engineering College, organized an STTP on the above mentioned subject from January 11th -15th ,2010.

The event was initiated through an inauguration ceremony. Mr. V. B. Gaikwad coordinator of the program welcomed the participants. Mr. D. K. Chitre, HOD of the dept., briefed the participants about the course. Dr. K. T. V. Reddy, Principal of the college, explained about the Software Engineering and the need of object oriented approach in the modern software industry. The Chief Guest Dr. Shashikant Kelkar from IIT Bombay inaugurated the event.

There were 11 scheduled lecturers with 10 different speakers. All the speakers had excellent proficiency in their subjects. There

was excellent interaction between the speakers and the participants. Unfortunately one of the speakers, Dr. B. B. Meshram could not turn up because of sudden urgent engagement. This lecture was replaced by Prof. Shirole, VJTI, Mumbai.

The valedictory ceremony was held on 15th January, 2010 at 4pm, in the seminar hall. Dr. J. W. Bakal, Ex. Chairman of Board of studies, Mumbai University was the chief guest for this ceremony.
